

# DCMT070202E-PB1 AP301M

TURNING INSERT

# DCMT070202E-PB1 AP301M

## SPECIFICATIONS

Form/Code	55°
freewinkel	7°
Brakestyp	40-60°
Thickness	2,38mm
Kattenpräparation	ground Schneidkatte
Spatbrecher	AP301M
weight	0,02 kg

Application chart for DCMT070202E-PB1 AP301M. The chart is a grid with material groups on the vertical axis and cutting parameters on the horizontal axis. The material groups are color-coded: blue (Aluminum), yellow (Steel), red (Cast Iron), orange (Titanium), and green (Inconel). The cutting parameters include cutting speed (Vc), feed (f), and depth of cut (ap). The chart shows the recommended cutting parameters for each material group.
