

VBMT160404E-PB1 AC150P

VBMT160404E-PB1 AC150P

SPECIFICATIONS

Wenof thechneidplattenform	35°
freewinkel	5°
Toleratz	0,127mm
Klemmtyp	T
Schneidelänge	16mm
Plattendicke	4,76mm
Eckenradius	0,4mm
Kattenpräparation	ground Schneide
Spatbrecher	PB1
weight	0,00 kg

Seite 1

KORTSE

Anwendungsgebiete von Werkzeugmaschinen nach DIN 66000

Diagram illustrating the application areas of turning inserts across various machine types (e.g., lathe, turret lathe, turning center) and materials (e.g., steel, cast iron, aluminum, copper, titanium). The diagram uses color-coded blocks to indicate suitable applications.
