

drilling machine BKM 3032V

Netto: 2.785,00 €

Result (include USt.): 3.314,15 €

plus Versatdkosten

specifications

drilling capacity in steel	31.75 mm
thread in steel	M 20
working area Workbench(LxB)	334x334 mm
working area machinemount (LxB)	310x380 mm
size of t-slots	T14
speeds	140-400;400-2250 U/min stepless
spindle adapter	morse cone 3
quill stroke	150 mm
distance spindle nose - column	265 mm
max. distance spindlenose base	1235 mm
Max. distance spindle nose - work table	820 mm
diameter of coloumn	100 mm
power of engine	3.0 KW 400 Volt
weight	310,00 kg
dimensions	1040x640x2050 mm

equipment

- very stable cast iron construction
- stepless speed through frequency-controlled Motor
- Workbench and machine foot with t-slots and circumferential coolant gutter
- Taping
- LED speed indicator

accessoires

drill chuck adapter, drill chuck, Taping, manual German
